

Weddings at Gartrell

Gartrell Church is the worship centre for the Dulwich Rose Park United Parish.

It is located on a tree lined boulevard at the junction of Prescott Terrace and Alexandra Avenue, Rose Park.

The elegant heritage-listed building has a classic charm and a real sense of warmth and intimacy.

It seats up to 200 people. There are two doors into the foyer and the sanctuary has two aisles. The pews are fixed and cannot be rearranged to make one aisle.

Our Minister, Reverend Beth Seaman, is primarily the officiating minister for weddings in the church. If you attend another church, you may request that your Minister conduct the ceremony.

Your initial contact for making a booking for a wedding is with our Minister.

Once a booking has been made a non-refundable deposit of \$200 is required.

An organist and the use of our beautiful pipe organ are included in your wedding package. Live music is supported by church policy.

Meet with the Minister

Our minister will meet with you three to four months before your wedding date.

Discussions will include your participation in pre-marriage counselling, legal requirements and specific arrangements for

your wedding ceremony including readings, choice of vows, declarations, orders of service and music.

Finalising arrangements

To finalise the details for your wedding day, you will be invited to contact the organist and our florist, whose names and contact numbers will be given to you at one of your meetings with the minister.

Ideally, these arrangements should be settled approximately three weeks before your celebration.

If your wedding is the only one scheduled in the church on the day, you will be invited to suggest a colour for the flowers, otherwise they will be white or cream.

Wedding rehearsal

A rehearsal is usually held in the week before the ceremony and it is suggested that all members of the wedding party attend.

Cost

The cost is \$800 for a weekday or Saturday wedding and \$850 for a Sunday wedding (only available after 1 pm). The package includes:

- Use of the church building for your rehearsal, and ceremony.
- All meetings with the Minister and conduct of the wedding ceremony.
- An organist to play music of your choice.

- Completion of legal requirements.
- Wedding certificate.
- Pre-marriage counselling.
- Two vases of flowers in the church arranged by our florist.
- Pew decorations supplied by us or you may use your own (attached only with hat elastic or similar).
- Preparation of the church for your wedding and a steward to supervise the process especially when you are using your own Minister.

Please note that the wedding fee is fixed and does not vary if you choose not to have any of these items. Payment in full is required prior to the ceremony day.

To discuss your wedding and for more information, contact

Reverend Beth Seaman.
